## Work Day

We had 14 cowboys and cowgirls brave the wind, cold and snow for our workday on March 28. We would like to thank the following for their hard work to get our range ready for the April match: Annie Dote, Killer Rabbit, Butch McCandles, Letort Lawman, Slowpoke John, Frontier Bob, Cardiac Cowboy, Slim Chance Pistolero, Stitches, Lee Ridgeway, Shifty Canuk, Gunpeddler Ron, Rundown, and Tuscarora Slim.

## FIRST MATCH OF THE SEASON

by Annie Dote

For most of us, April 4th was the first match of 2015. There was a handful of brave, hardy souls that shot in the frigid temperatures of March, but not many.

The day started out cloudy, cold, & drizzly. It did get better and ended sunny and mild. We had 34 shooters join us. They came from West Virginia, Virginia, Maryland, and of course PA. I think a lot of cabin fever was dispelled this day. I know for me it sure felt good to be out and shooting again.

Letort Lawman provided us with 6 very well written stages. Some were easy peasy, and some made you think, but no "P" traps. Of course that did not stop some of us from getting the dreaded "P" anyway but that was not Letort's fault.

I also understand that a few of the shooters actually got those knives that we had to throw on stage 1 to stick. A big round of applause to those cowboys.

We had the 4H group from Carlisle come out to watch us and participate. These are the kids and adults that feed us at the indoor match in January and February. The remedial posse was lucky enough to snag a few of the boys as brass pickers and target setters. They were a great help and are welcome back anytime. At the noon break some of our cowboys stuck around and let the boys try their hand at shooting the cowboy guns. I think we should sign them up as they were GOOD!

I want to remind everyone that our safety meeting is mandatory. That means you get there in plenty of time to register and get your gear organized.

## Just a Reminder

All shooters **MUST** attend the safety meeting held at 9:45 AM before our match, including our registration folks. Please schedule your arrival so they can organize the posse list, close registration and attend the safety meeting.

## ***RETIRED HUSBAND***

(Don't try this at home)

After I retired, my wife insisted that I accompany her on her trips to Walmart. Unfortunately, like most men, I found shopping boring and preferred to get in and get out. Equally unfortunate, my wife is like most women - she loves to browse & leaves me with endless time to fulfill.

Yesterday my dear wife received the following letter from the local Walmart:

Dear Mrs. Harris:

Over the past six months, your husband has caused quite a commotion in our store. We cannot tolerate this behaviour and have been forced to ban both of you from the store. Our complaints against your husband, Mr. Harris, are listed below and are documented by our video surveillance cameras:

1. June 15: He took 24 boxes of condoms and randomly put them in other people's carts when they weren't looking.

2. July 2: Set all the alarm clocks in Housewares to go off at 5-minute intervals.

3. July 7: He made a trail of tomato juice on the floor leading to the women's restroom.

4. July 19: Walked up to an employee and told her in an official voice, "Code 3 in Housewares. Get on it right away." This caused the employee to leave her assigned station and receive a reprimand from her supervisor that in turn resulted with a union grievance, causing

management to lose time and costing the company money. We don't have a "Code 3."

5. August 4: Went to the Service Desk and tried to put a bag of M&Ms on layaway.

6. August 14: Moved a "CAUTION - WET FLOOR" sign to a carpeted area.

7. August 15: Set up a tent in the Camping Department and told the children shoppers he'd invite them in if they would bring pillows and blankets from the Bedding Department, to which twenty children obliged.

8. August 23: When a clerk asked if they could help him, he began crying and screamed, "Why can't you people just leave me alone?" EMT's were called.

9. September 4: Looked right into the security camera and used it as a mirror while he picked his nose.

10. September 10: While handling guns in the Hunting Department, he asked the clerk where the antidepressants were.

11. October 3: Darted around the store suspiciously while loudly humming the *Mission Impossible* theme song.

12. October 6: In the Auto Department, he practiced his "Madonna Look" using different sizes of funnels.

13. October 18: Hid in a clothing rack and when people browsed through yelled "PICK ME! PICK ME!"

14. October 22: When an announcement came over the loud speaker, he assumed a fetal position and screamed "OH NO! IT'S THOSE VOICES AGAIN!"

15. Took a box of condoms to the checkout clerk and asked, "Where is the fitting room?"

And last, but not least:

16. October 23: Went into a fitting room, shut the door, waited a while, and then yelled very loudly, "Hey! There's no toilet paper in here." One of the clerks passed out.
