### Answer to Last Month's "What's The Call"

The Correct answer is: (E) Procedural

Applicable Rules:

Procedural for shooting the targets "out of order".

The penalty applied as soon as the shooter put the first shot on P4 (which should have been the 3rd shot on P3)

All pistol shots HIT pistol targets = NO MISSES.

IF the shooter had failed to fire the last shot of the first pistol, he would have still received a PROCEDURAL for shooting the targets out of order AND a MISS for the unfired round remaining in the revolver.

That would NOT be a case of "a Miss causing a Procedural"...it's a case of "brain fade" and miscounting shots fired.

Since he eventually fired that round and HIT a pistol target (it doesn't matter which target at that point, he already had the "P") he only gets the initial "P" and NO MISS.

Applying the "MISS FLOW CHART ":

Did the shooter hit all the correct type of targets? - YES (Assess no misses)

Did the shooter engage the targets in the correct order? - NO (Assess procedural)

Range Operations Basic Safety Course (page 24)

Other applicable rules:

24. Ammunition dropped by a shooter in the course of loading or reloading any firearm during a stage or "ejected" is considered "dead" and may not be recovered until the shooter completes the course of fire. The round must be replaced from the shooter's person or other area as required by stage description, or if the round is not fired it is counted as a missed shot. Shooters Handbook (page 23), Range Operations Basic Safety Course (page 17)

Procedurals are unintentional "mistakes" where the competitor engages the stage in a manner other than the way it is supposed to be shot. Procedurals are scored as ten-second additions to the competitor's raw time for the stage, no more than one per stage.

Shooters Handbook (page 18)

### 10- SECOND PENALTIES

Procedural Penalties

Any unintentional procedural errors caused by "brain fade," confusion, ignorance, or mistakes (not to exceed one for any given stage).

- Failure to attempt to fire a firearm.
- Failure to attempt a prop or stage maneuver.
- Shooting targets in an order other than as required by stage description.

10. Inadvertently leaving unfired rounds in a revolver is a miss unless the round is under the hammer, then it is a Stage Disqualification.

Shooters Handbook (page 13), Range Operations Basic Safety Course (page 14)

## What's The Call

Answer next month

Pistol: 5 rounds each, holstered

Rifle: 10 rounds (port arms @ "A")

Shotgun: 4+ (staged on table "C")

Shooter is registered in Frontier Cartridge category using an 1887 lever shotgun with Black Powder loads in all firearms.

Stage description: Starting at "A" with rifle at port arms. Engage the five R/P targets twice each. Rifle must be restaged in rack with muzzle UP.

Shotgun: Move to "C", Knock down the four shotgun targets: S1, S2, S3, S4. Shotgun must be restaged on table with muzzle pointed toward the right side berm.

With revolvers, engage the 5 R/P targets with two rounds each. Shooter may move forward to "B" to engage the R/P targets with pistols.

IF the shooter elects to engage the R/P targets from position "C", shooter gets a one second bonus for every R/P target HIT.

At the beep, shooter double taps the five R/P targets from right to left. Sets rifle down O&E in rack.

Shooter moves to "C". Knocks down S1, S2, S3, then accidentally ejects the fourth round.

Round lands on table "C"... shooter picks up the dropped round, loads it and knocks down S4.

Sets O&E shotgun on table with muzzle pointed toward right berm.

Shooter draws first revolver and engages/hits R/P-1>4...then misses R/P-5.

Shooter then moves forward to "B" and hits R/P-1>5.

## Just Cannot Believe It

It's hard to believe that we are starting our 15<sup>th</sup> year on Regulator Ridge. Who would have thought when we started that we would still be going strong with all our cowboy and cowgirl friends 15 years later. A huge thanks to the Ickesburg Sportsmen's Assoc. for allowing us to be a part of their organization and to all the great cowboys and cowgirls who have supported us through these years. Here's to another 15!
